

Final Candidate Assessment for John Doe

Overall Score: 40

Recommendation: Proceed with caution

Strengths:

- Demonstrated basic understanding of relevant concepts
- Good communication skills

Improvement Areas:

- Lack of detailed experience examples
- Limited technical depth shown in answers
- Need to demonstrate stronger problem-solving skills

Next Steps:

Consider a technical assessment or a follow-up interview to evaluate specific skills and problem-solving capabilities in more detail before making a final hiring decision.
